# FLIGHT CLUB STORY

From the very beginning, Flight Club was about much more than just darts. It was about bringing people together – to celebrate, challenge each other, and create stories worth remembering. For over two years, the two British founders worked hand-in-hand with hundreds of people listening, testing and refining every detail of the Social Darts® experience. They knew that to build something truly special, it had to be made with guests, and for guests.

Thanks to those guests and their feedback, over the last decade Flight Club has evolved from a simple idea into a global phenomenon. Since the first Flight Club opened in Shoreditch, London in 2015, the brand has grown across the world driven by one mission: to turn moments into memories and competition into connection.

Flight Club Chicago was the first North American venue, opening in 2018, and since then the brand has grown to all four corners of the US, as well as across the UK, Australia and Ireland.
